FMUB distributes \$20,000 in grants to local community organizations

Farmers & Merchants Union Bank (FMUB) recently distributed monetary grants to select community organizations. The grants were created by The Federal Home Loan Bank of Chicago to help banks support local organizations impacted by the COVID-19 pandemic.

“As a local community bank, it has always been our mission to promote growth and stability in the communities we serve, and that is true now more than ever,” says Randy Bobholz, FMUB President & CEO.

FMUB provided grants to the following organizations:

- **Prairie Ridge Health.** The hospital staff has been providing excellent care to those in our communities – from testing to education to treatment to recovery.
- **Sassy Cow Creamery.** The creamery has been helping with their kindness cooler, providing free milk and dairy products for many families at a time they otherwise may have to go without.
- **The N.I.C.C. Foundation.** This organization has helped our communities with masks and food, as well as recognition and donations to businesses/employees helping others during the pandemic.
- Public and private schools within the FMUB service zip codes of Columbus, Fall River, Rio, Friesland and Juneau. Each of these schools are helping young and lifelong learners adjust to new technology and learning methods – and have done it all very quickly and creatively.
 - Columbus School District
 - Fall River School District
 - Rio Community Schools
 - Dodgeland School District
 - Cambria-Friesland School District
 - St. Jerome School
 - Wisconsin Academy
 - Petersen Elementary
 - Zion Evangelical Lutheran School
 - St. John's Evangelical Lutheran School

Randy Bobholz, FMUB President & CEO

“Thank you to all the organizations for the great work you are doing in our communities. You are noticed, and you are appreciated!” says Bobholz.
