#### **Why acquire American Bank of Beaver Dam?**

Our two banks share a long history of exceptional customer service, local decision-making, and a strong commitment to our communities. Together, we share a common mission, vision, and purpose that will serve as the foundation for continued success in meeting your financial needs. We are also proud to welcome approximately 30 new staff members who bring a wealth of knowledge and experience to the FMUB team.

#### **Now serving you at four new locations: three in Beaver Dam and one in Necedah.**

The acquisition was finalized on February 13, 2026, and the four American Bank of Beaver Dam locations are now part of the FMUB family. Our systems integration is planned for July 2026, but you may begin using our new locations immediately for all your banking needs.

Thank you for your continued trust and loyalty. We look forward to serving you with even more ways to help you achieve your financial goals. Please watch for additional updates in the coming weeks.
